Privacy Statement

Wave Pool Corp. (hereafter referred to as “Wave Pool”) has created this privacy statement to demonstrate our firm commitment to the privacy of the users of our websites. Please read the following to learn more about our privacy policy, and how we treat personally identifiable information collected from our visitors and users.

What this Privacy Statement Covers

This privacy statement covers Wave Pool’s treatment of personally identifiable information (“PII”) collected by Wave Pool through a website owned and operated by Wave Pool. This privacy statement does not apply to the practices of companies that Wave Pool does not own or control, or of persons that Wave Pool does not employ or manage, including any third-party content contributors bound by contract and any third-party websites to which Wave Pool’s websites link.

Collection and Use of Personal Information

You can visit the websites of Wave Pool without revealing any personal information or PII. However, Wave Pool may need certain personal information if you wish interact directly with Wave Pool, for instance, by endeavoring to [start a membership](#), [donate](#), [shop](#), or [rent space](#) from Wave Pool.

Where required, this information may include your company contact information and your personal contact information such as name, email address(es), postal address(es), and/or home or work telephone number(s). Wave Pool will use this information to reply to your inquiries, to set up your members account, communicate regarding donations or inquiries, and provide you with requested products/services. Wave Pool may also retain the content of your communications, including email messages, together with your email addresses and Wave Pool’s responsive communications.

By accessing the services of Wave Pool and voluntarily providing us with the requested personal information, you consent to the collection and use of the information in accordance with this privacy statement.

Collection and Use of Non-Personal Information

Wave Pool automatically receives and records non-personal information on our server logs from your browser including your IP address, cookie information and the page you requested. Wave Pool may use this information to customize the advertising and content you see and to fulfill your requests for certain products and services. However, Wave Pool does not connect this non-personal data to any personal information collected from you. If you would like more information on cookies, continue reading below.

Cookies are a feature of web browser software that allows web servers to recognize the computer used to access a website. Cookies are small pieces of data that are stored by a user's web browser on the user's hard drive. Cookies can remember what information a user accesses on one web page to simplify subsequent interactions with that website by the same user or to use the information to streamline the user's transactions on related web pages. This makes it easier for a user to move from web page to web page and to complete commercial transactions over the Internet. Cookies should make your online experience easier and more personalized.

We use website browser software tools such as cookies and web server logs to gather information about our website users' browsing activities, in order to constantly improve our website and better serve our users. This information assists us to design and arrange our web pages in the most user-friendly manner and to continually improve our website to better meet the needs of our users and prospective users. Cookies help us collect important business and technical statistics. The information in the cookies lets us trace the paths followed by users to our website as they move from one page to another. Web server logs allow us to count how many people visit our website and evaluate our website's visitor capacity. We do not use these technologies to capture your individual email address or any personally identifying information about you.

Information Sharing and Disclosure

Wave Pool may disclose your personal information to third parties who work on behalf of Wave Pool to provide services requested by you. We will share personal information for these purposes only with third parties whose privacy policies are consistent with ours or who agree to abide by our policies with respect to personal information.

Wave Pool may otherwise disclose your personal information when:

- We have your express consent to share the information for a specified purpose;
- We need to respond to subpoenas, court orders or such other legal process;
- We need to protect the personal safety of the users of our websites or defend the rights or property of Wave Pool; or
- We find that your actions on our websites violate the Wave Pool [Terms of Use](#) or any of our usage guidelines for specific products or services.

Consent

If you do not consent to the collection, use or disclosure of your personal information or PII as outlined in this statement, please do not provide any personal information to Wave Pool. If you have provided personal information or PII to Wave Pool and no longer consent to its use or disclosure as outlined herein, please [contact](#) us immediately.
